IMPORTANT POINTERS TO THE REPORT

This is a highly confidential document. By registering for such a service and utilizing the products the user agrees that she/he will not use this document for any purpose other than personal/self information.

Any information so received through the totalVishwas.com is not to be published either in whole or in part used for any other purpose other than personal use for the evaluation of the user of the service. Any use of such data other than for its purpose of personal assessment will require the explicit and written permission of totalVishwas.com. In the absence of such permission, any publishing or wrongful use of such data will be considered as a breach of contract.

totalVishwas.com shall perform the verification process in a diligent and professional manner, however shall not be responsible for the inaccuracies or discrepancies originating from the relevant source of information till date or subsequently.

By doing verifications and bringing data to our clients, the objective of totalVishwas.com is to promote a positive environment based on the philosophy of 'Trust but verify.' Our portal, totalVishwas.com believes that while it is important for anybody to start life with the best foot forward, it may be even wise to be aware of risks that are around the corner. In a situation like this, totalVishwas.com only helps you to establish facts and overcome fear and anxiety.

We at totalVishwas.com wish you all the very best and hope that we have been of appropriate assistance to you.
